REPORT AND ORDER
(Proceeding Terminated)

Adopted: July 13, 2005

Released: July 15, 2005

By the Assistant Chief, Audio Division, Media Bureau:

1. In response to a Petition for Rule Making filed by Linda Crawford ("Crawford") the Audio Division considers herein a *Notice of Proposed Rule Making*¹ proposing the allotment of Channel 236A to Jacksonville, Texas, as that community's fifth local aural transmission service. To accommodate this proposal, Crawford requests that the allotment sites of vacant Channel 237C3 at Teague, Texas, and vacant Channel 237A at Meridian, Texas, be relocated. Crawford has filed comments expressing her continued interest in applying for Channel 236A if it is allotted to Jacksonville, Texas, and stating that if her application is granted, she will construct a station in that community. No counterproposals or other comments have been filed. For the reasons stated below, we grant Crawford's Petition for Rule Making.

2. We conclude that the public interest would be served by the allotment of Channel 236A to Jacksonville, Texas, since it will provide a third commercial FM service and a fifth local aural transmission service to that community. Consistent with the technical requirements of the Commission's rules, Channel 236A can be allotted to Jacksonville, Texas, at coordinates of 31-54-15 NL and 95-17-42 WL, with a site restriction of 7.0 kilometers (4.3 miles) east of Jacksonville. Further, the allotment coordinates of vacant Channel 237C3, Teague, Texas, can be relocated at coordinates of 31-48-30 NL and 96-14-00 WL, with a site restriction of 20.7 kilometers (12.8 miles) north of Teague, Texas. Lastly, the allotment coordinates of vacant Channel 237A, Meridian, Texas, can be relocated at coordinates of 32-00-00 NL and 97-43-00 WL, with a site restriction of 10.3 kilometers (6.4 miles) northwest of Meridian, Texas.

3. The Commission will send a copy of this *Report and Order* in a report to be sent to Congress and the Government Accountability Office pursuant to the Congressional Review Act, *see* 5 U.S.C. Section 801(a)(1)(A).

4. Accordingly, pursuant to the authority contained in Sections 4(i), 5(c)(1), 303(g) and (r) and 307(b) of the Communications Act of 1934, as amended, and Section 0.61, 0.204(b) and 0.283 of the Commission's rules, IT IS ORDERED That effective August 29, 2005, the FM Table of Allotments, Section

¹ *Jacksonville, Texas*, 20 FCC Rcd 6261(MB 2005).

73.202(b) of the Commission's rules, is amended for the community listed below, as follows:

<u>Community</u>	<u>Channel Number</u>
Jacksonville, Texas	236A, 272C2, 293C

5. A filing window for Channel 236A at Jacksonville, Texas, will not be opened at this time. Instead, the issue of opening this allotment for auction will be addressed by the Commission in a subsequent order.

6. IT IS FURTHER ORDERED That the Petition for Rule Making (RM-11201) filed by Linda Crawford IS GRANTED.

7. IT IS FURTHER ORDERED, That MB Docket No. 05-129 IS TERMINATED.
